## **Statement of intent**

It is our intention to provide an accessible service to all and fully inclusive in meeting the needs of all children.

## **Aim**

## **Method**

Any person or child in possession of a disability parking permit who wishes to use Banwell Buddies will be given the opportunity of accessing a Banwell Buddies parking permit.

On the production of validated documentation of a disability parking permit, written notification of access will be granted, along with the a Banwell Buddies Valid Parking Permit.

## **Monitoring**

An up to date register of parking permits provided will be recorded.

Regular inspection to ensure the disabled bays provided are not being used by others who do not display a valid parking permit.

Ongoing negotiations with Banwell Primary School and North Somerset Asset team to ensure a long term solution is in place for disabled vehicle access.

Where valid documentation of a disability is not available and access is difficult for a parent/carer due to an injury for example, vehicle access will be given at our discretion
